Major General John M. Willems (Assistant Chief of Staff, 6-2, USAREUR APO 403, New York, New York

Dear John:

My understanding is that you have now taken over your new job as Intelligence Officer.

Maybe this assignment doesn't cause you to threw your hat up in the air and cheer. However, speaking selfishly, I'm awfully happy to see one so richly experienced in Intelligence return to the "fold". These same thoughts have been expressed to me by a number of your friends in this Agency.

So we all look forward to many more satisfying associations with you in our field.

Best wishes to you and Aileen.

Sincerely,

15 Peari
